➤ **Administrative and Financial Director - STYLE AND DESIGN GROUP**

« A meeting that allows us to meet a large number of service providers in a condensed way, proposing solutions adapted to our needs. This concentration of counterparts also allows us to exchange on practices and processes implemented in our companies, giving us an outside view of our usual practices. »

➤ **Financial Director - CLUB MED LES BOUCANIERES**

« I liked this event because I exchanged with colleagues who are confronted with the same problems as mine and also it allowed me to meet in the same place the exhibitors in order to obtain quotations and to consider my project of implementation of dematerialization. I left with a full address book. »

➤ **Director of Human Resources - BUSINESS BY AIR**

« My overall rating is "very good" and not good (insufficient) or excellent. My first participation gave me the opportunity to exchange with peers, meet many service providers and to develop project ideas that I hope will be realized in 2020 and beyond. The quality of hotel services and receptions was also impeccable. »

➤ **Chief Financial Officer - WAYCOM**

« Very nice Finance and HR event that allows in a short time to meet different exhibitors to answer business issues and find solutions. Thank you. »

➤ **Communication & Talent Officer – MENINX HOLDING**

« Excellent organization, a very interesting and constructive first participation for me, which allowed me to make new connections, to learn about HR practices internationally and to share with the participants their feedback. Thanks again for the invitation and congratulations to the whole team for their availability and reactivity for the success of this event. »

➤ **Director of Administration and Personnel - OGF**

« Excellent show with quality exhibitors and many exchanges. Very interesting. »

➤ **Accounting Director - LA MAISON BLEUE**

« Relevant and efficient fair, to recommend to all digital project leaders but also to HR projects. In the space of 2 days, you optimize 3 months of research. »

➤ **STRAT & CI DE BLANCHIER CONSULTING**

« Highly qualified B to B meeting formula. To be redone. »

➤ **Administrative and Financial Director - REYNOLD AND REYNOLDS**

« Thank you for this great event and the quality of the speakers and exhibitors. »
